

Shine little glow-worm, glim-mer, glim-mer Shine little glow-worm, glim-mer, glim-mer
 Glow little glow-worm, fly of fi---re Glow like an incan-des-cent wi--re
 Glow little glow-worm, glow and glim-mer Swim through the sea of night, little swimmer
 Glow little glow-worm, turn the key on You are equipped with tail-light ne -on

Lead us lest too far we wander love's sweet voice is calling yon -der;
 Glow for the female of the species, turn on the AC and the DC.
 Thou aeronautical boll weevil, illuminate yon woods primeval.
 You got a cute vest-pocket *Mazda* Which you can make both slow and *fazda

Shine little glow-worm, glimmer, glimmer Hey, there don't get dimmer, dimmer
 This night could use a little brightnin' Light up you little ol' bug of lightnin'
 See how the shadows deep and darken You and your chick should get to sparkin'
 I don't know who you took a shine to Or who you're out to make a sign to

Light the path below, above and lead us on to love!
 When you gotta glow, you gotta glow-- glow little glow-worm, glow.
 I got a gal that I love so -- glow little glow-worm, glow
 I got a gal that I love so glow little glow-worm, glow,

Glow little glow-worm, glow, Glow little glow-worm, glow Glow little glow-worm, glow.
