Why do breezes sigh every evening

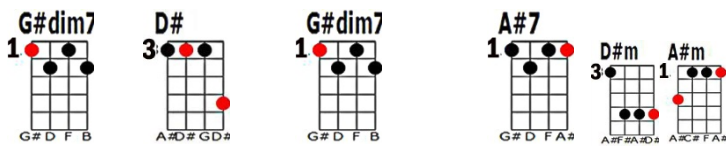

whispering your name as they do?

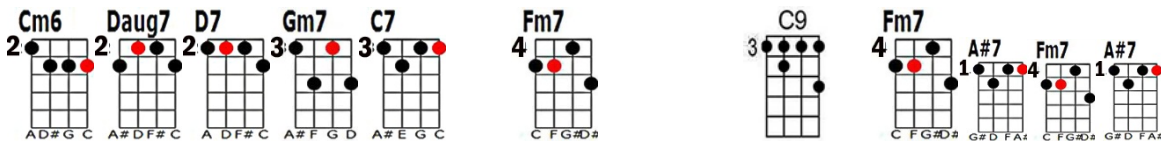

And why have I the feeling stars are on my ceiling?

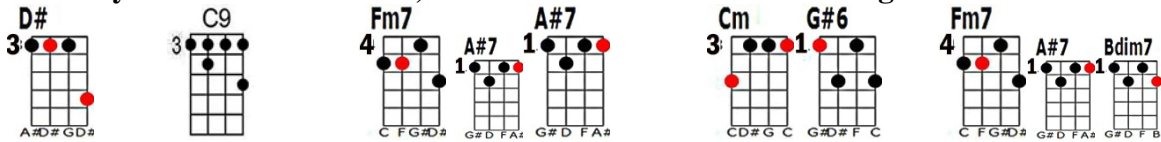

I know why and so do you

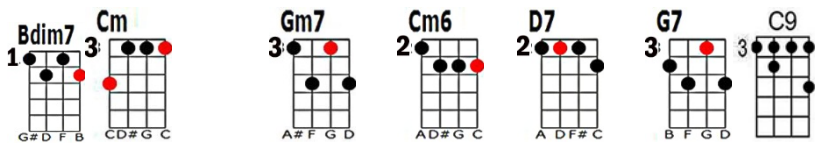

When you smile at me I hear gypsy violins

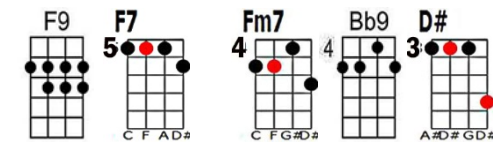

When you dance with me, I'm in heaven when the music begins

I can see the sun when it's raining, hiding every cloud from my view

And why do I see rainbows when you're in my arms?

I know why and so do you

Last time
