

This is a JPEG of the original music that I have inserted the chord shapes over. An interesting experiment. I think small chords are my substitutes (?)

Lullaby of Birdland

George D. Gheis, G. DeMaeyer

is & 4

Lul - la - by of bird - land, that's what I al - ways hear
 Hava you ev - er heard two tur - tle doves bill and coo
 when you sigh... Nev - er in my word-land could there be words... to re - veal
 when they love? That's the kind of ma - gic mu - sic we make... with our lips.
 in a phrase... how I feel!
 And there's a wee - py old wil - low... he real - ly knows how to cry!
 That's how I cry in my pil - low... if you should tell me fare - well
 - and good - bye! Lul - la - by of Bird - land whis - per low... kiss me sweet...
 and we'll go... fly - in' high in Bird - land high in the sky... up a - bove
 all be - cause... we're in love... all be - cause... we're in love.
