

"Moon River". Music by Henry Mancini with lyrics written by Johnny Mercer. It received an Academy Award for Best Original Song for its first performance by Audrey Hepburn in the 1961 movie *Breakfast at Tiffany's*. They wrote the song for **MOON RIVER** Audrey Hepburn to fit her vocal range. A Paramount executive suggested deleting the song from the film immediately **FROM THE PARAMOUNT PICTURE BREAKFAST AT TIFFANY'S** after a very successful San Francisco preview. Hepburn's reaction was described by Mancini and others in degrees varying from her saying "over my dead body" to her using somewhat more colorful language to make the same point.
