Verse 1

When I hear that Ser - e - nade in Blue,

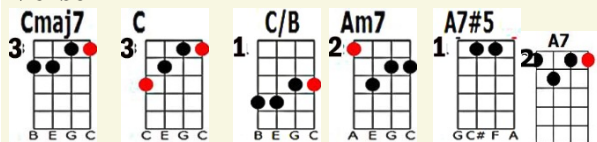

I'm somewhere in an - oth - er world a - lone with you,

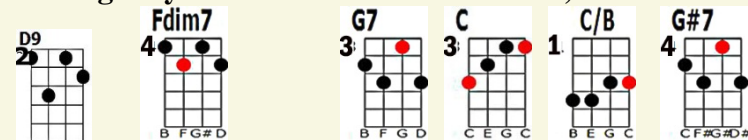

Shar - ing all the joys we used to know many moons a - go.

Verse 2

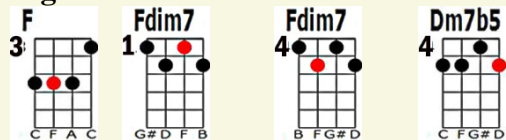

Once a - gain your face comes back to me,

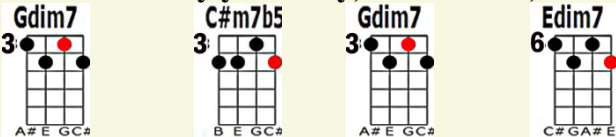

Just like the theme of some for - got - ten mel - o - dy

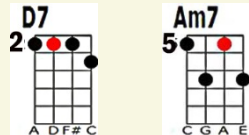

In the al - bum of my mem - o - ries, Ser - e - nade in Blue.

Bridge:

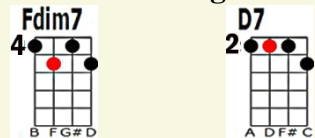

It seems like only yesterday, a small cafe, a crowded floor,

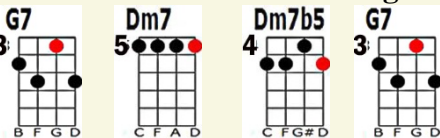

And as we danced the night away, I hear you say, "Forevermore."

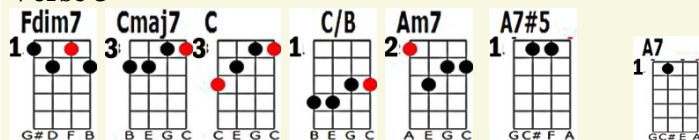

And then the song be - came a sigh,

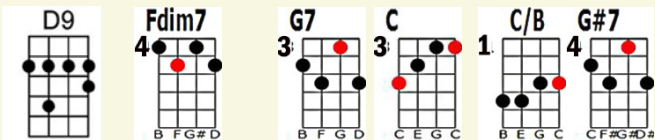

For - ev - er - more be - came good - bye,

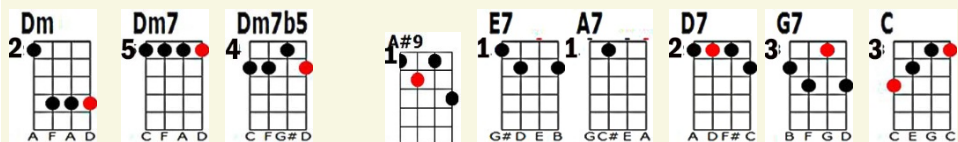

But you re - mained in my heart.

Verse 3

So tell me, Darling, is there still a spark,

Or on - ly lone - ly ash - es of the flame we knew?

Should I go on whist - ling in the dark, Ser - e - nade in Blue?
