

**S'WONDERFUL** Music: George Gershwin. Lyrics Ira Gershwin Arranged for 3 finger Jazz uke by Brian Lemin

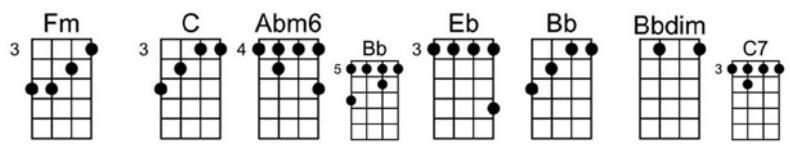

1 Life has just begun, Jack has found his Jill ;  
 2 Don't mind telling you, in my humble fash;

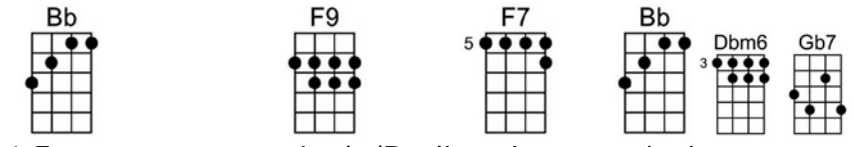

1 Don't know what you've done But I'm all a-thrill.  
 2 That you thrill me through with tender pash.

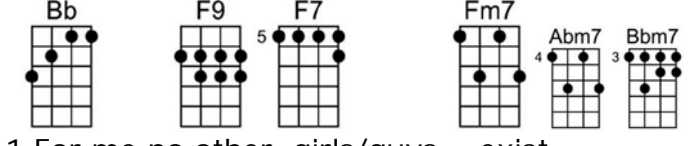

1 How could words express Your divine appeal ?  
 2 When you said you care, 'magine my e mosh"

1 You can never guess All the love I feel  
 2 I swore then and there, permanent de vosh'

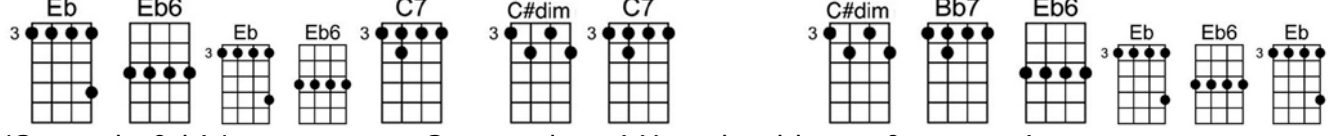

1 From now on, Lady/Darling, I insist,.  
 2 You made all the other boys seem Blaah.

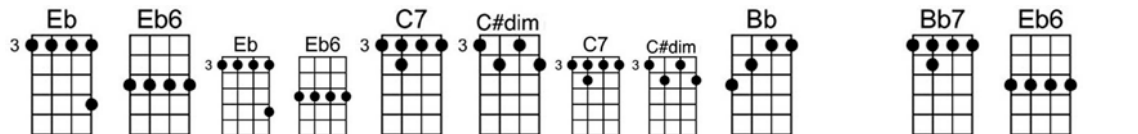

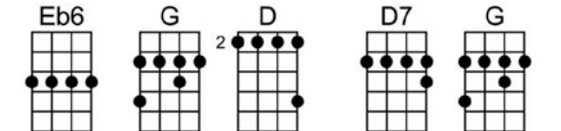

1 For me no other girls/guys exist  
 2 Just you a lone filled me with Ahh.

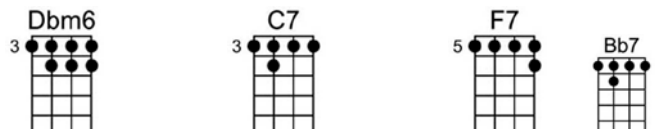

Chorus:

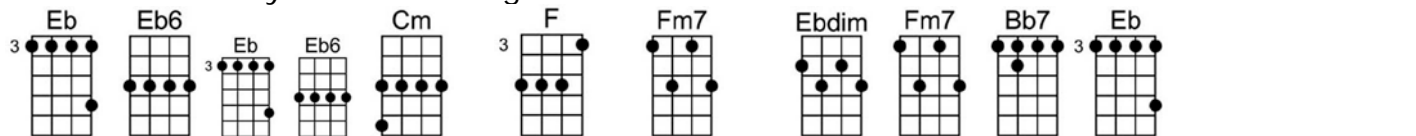

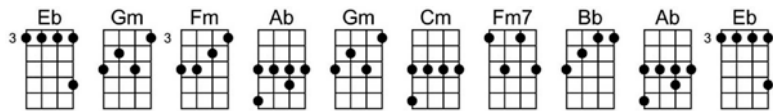

'S wonderful ! S marvelous ! You should care for me !

  
 'S awful nice ! '                      S paradise ! '                      S what I love to                      see !

  
 1 You've made my life so glamo rous,  
 2 My dear, it's four-leaf clover time

  
 1 You can't blame me for feeling amorous,  
 2 From now on my heart's working overtime.

  
 'S wonderful !                      'S marvelous !                      That you should care                      for                      me ! (Go back to 2 in chorus)

Note: I have included the "dreadful" second verse as it did reflect the "passion" for shortening names, nick names etc. It was all the rage, it was how the "toffs" spoke.
