TRY A LITTLE TENDERNESS

BRIAN SINGS FIRST VERSE RECITAIVE.

(1) She may be weary, **women do get weary** wearing the same shabby dress

And when she's weary, **try a little tenderness**

You know she's waiting, just anticipating things she may never pos-ess

While she's without them, **try a little tenderness**

Bridge

It's not just sentimental, she has her grief and care

And a word that's soft and gentle, makes it easier to bear.

INSTRUMENTAL

You won't re-gret it, women don't for-get it, love is their whole happi-ness

It's all so easy **try a little tenderness**

BRIAN ONLY

It's all so easy, try a little tenderness
