Way down south in Bir - ming - ham; I mean south in Al - a - bam'

There's an old place where people go; To dance the night a - way.

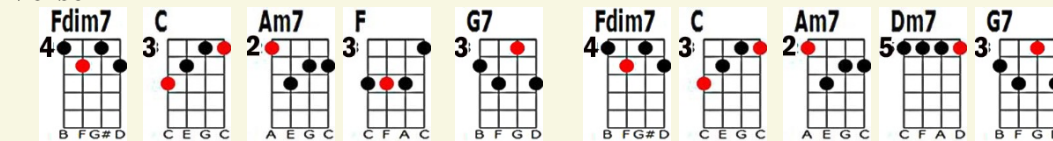

It's a junction where the town folks meet

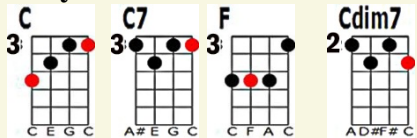

At each function in a tux they greet you

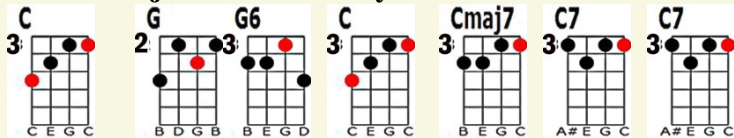

**Verse 2**

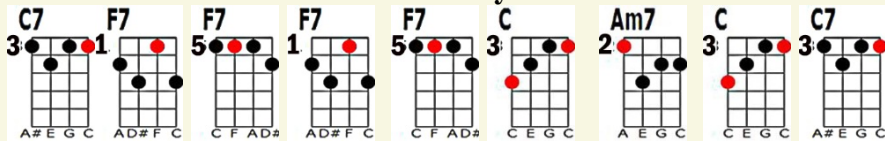

They all drive or walk for miles; To get jive that southern style

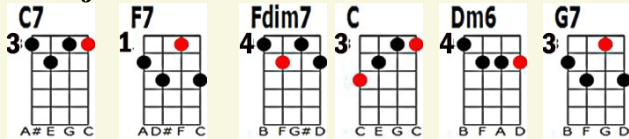

It's an old jive that makes you want

To dance till break of day

It's a junction where the town folks meet

At each function in a tux they greet you
